

Our CELTA course

CELTA COURSE DETAILS:

- The most widely recognized teaching qualification;
- Blend of online and face-to-face study;
- Covers the principles of effective teaching and gives you a range of teaching techniques and practical experience;
- Teaching practice, feedback and observation of teaching are at the heart of the CELTA course, which is what makes it such a practical course. You'll also receive tutorial support and help with planning lessons;
- It's flexible – it can be taken full time over 4–5 weeks or part time over a few months;
- There is not a final exam – candidates are assessed through four in-course written assignments, lesson plans and teaching practice; the overall grade is the result of continuous assessment throughout the course.
- Requirements: 18+, a written and spoken English level of C1 or above, good organizational skills, stable Internet connection, suitable computer equipment and a level of digital literacy which will enable candidates to easily understand the technical requirements of their course if it contains an online element.
